

Lighting and illuminations of the Sanctuary

➤ PROJECT DESCRIPTION

- Create an atmosphere of reverence conducive to prayer throughout the Sanctuary. Facilitate the staging of ceremonies.
- Respond to the challenges of Laudato Si by improving energy savings and contributing to the protection of the Pic du Midi RICE (Réserve International du Ciel Etoilé), a local initiative to enhance the view of the stars.
- Improve accessibility of the site for visually-impaired pilgrims but also for all those who have difficulty with their sight (elderly people)
- Enhance the Sanctuary's heritage buildings and the beauty of the site
- Respond to the technical challenges of aging installations

The DMX system gives an infinite range of colours

Espéluques Stations of the Cross, the tomber

Types of lighting which could be installed
