

# Renovation of the Chapel of Our Lady

## ➤ PROJECT DESCRIPTION

The Chapel of Our Lady in the Sanctuary of Our Lady of Lourdes is a place for celebrations, performances and concerts. Both the Sanctuary and the Italian UNITALSI association use the Chapel of Our Lady particularly for groups of young people.

Flooding by the Gave de Pau river and general wear-and-tear have taken their toll on the Chapel which now requires a complete renovation. In keeping with its original style, the decoration will be sober and natural.

The sound and video equipment should be replaced.
